FOR IMMEDIATE RELEASE

Local Denver Business Owner John Zayac Competes in 47th Annual National Championship Reno Air Races

CENTENNIAL, Colo., September 2, 2010 – Local business owner of IBG Business Services, Inc., John Zayac will be competing in the T-6 Gold Class National Championship Reno Air Races in Nevada from September 15th through September 19th, 2010.

[John Zayac](#), pilot of The McDonald Racer #37, competes annually in the [National Air Race Championships](#), which are widely recognized as the "World's Fastest Motor Sport". As an experienced pilot, licensed for over 20 years, he has competed in the annual air races for the past 10 years as one of the top T-6 race pilots in the world. After winning first place in the T-6 Bronze Class in 2003, he's advanced through the T-6 Silver Class and currently races in the highly competitive T-6 Gold Class.

Regarding the team's 2010 air race goals, Zayac states, "Our three major goals for 2010 Reno Air Races are to promote children interested in aviation, break and maintain the T-6 air racing speed record of 244.523 mph, and to win first place in the T-6 Gold..." -John Zayac

[The McDonald Racer Crew](#) is a unique team comprised of expert mechanics, skilled pilots, race strategy engineers, photographers, business professionals, and more. Although the crew members are as diverse as they come, they all share one definitive passion...T-6 Air Racing at the National Championship Air Races! To learn more about the Pilot and Crew, please visit: www.T6RaceTeam.com.

For more information, or to inquire about interview availability with John Zayac and/or the McDonald Racer #37 Crew before, during or after the 2010 air races, please contact Nicolette Lynn at (303) 785-0527 office, (303) 715-8067 cell, or nlynn@IBGBusiness.com.

About the McDonald Racer #37 Team:

Since 2000, the McDonald Air Race Team has competed annually in the National Air Race Championships. They have steadily to move up through the race classes and currently compete in the T6 Gold Class. The crew is comprised of expert mechanics, skilled pilots, race strategy engineers, photographers and business professionals, among others. For more information, please visit: www.T6RaceTeam.com.

About the National Championship Air Races:

In September 2010, the National Championship Air Races and Air Show will return for its 47th year with six classes of racing aircraft and a first-class air show exhibiting some of the world's top pilots and aerobatic performers. Recognized as the "World's Fastest Motor Sport", the annual event regularly attracts 250,000 to 300,000 attendees. For more information, please visit: www.AirRace.org.
