FOR IMMEDIATE RELEASE

The McDonald Air Race Team Offers Good Morning America Access to Gold Class T-6 Race Aircraft

CENTENNIAL, Colo., May 3, 2010 – The McDonald Air Race Team, a T-6 Gold Class, National Air Race competitor, would like to offer Good Morning America access to their nationally-recognized race aircraft for use in any current or future segments.

On April 29th, 2010, Robin Roberts revealed her dream of flying in a T-6 Warbird similar to the aircraft her father flew. As such, the McDonald Air Race Team would like to offer Robin and Good Morning America access to the McDonald Racer T-6 for additional material for use in the current "Living the Dream" segment and/or any future follow up segments Good Morning America may be interested. We are flexible and able to meet the news crew in accordance with their availability and location of choice.

For more information please contact Nicolette Lynn by phone at (303) 785-0527 or by email at nlynn@IBGBusiness.com.

About the McDonald Air Race Team:

Since 2000, the McDonald Air Race team has been competing annually in the National Air Race Championships. They have continued to move up through the race classes and currently compete in the T6 Gold Class. The crew is comprised of expert mechanics, skilled pilots, race strategy engineers, photographers and business professionals among others. For more information, please visit: www.T6RaceTeam.com.

About the National Championship Air Races & the Reno Air Racing Association:

In September 2010, the National Championship Air Races and Air Show will return for its 47th year with six classes of racing aircraft and a first-class air show including some of the world's top pilots and aerobatic performers. Recognized as the "World's Fastest Motor Sport", the annual event regularly attracts 250,000 to 300,000 attendees. For more information, please visit: www.AirRace.org.
