FOR IMMEDIATE RELEASE

The McDonald Racer Team Offers KWGN-TV & "Extreme Kellie" Access to Race Aircraft for Segment Use

CENTENNIAL, Colo., June 21, 2010 – The McDonald Racer team, a T-6 Gold Class, National Air Race competitor, would like to offer KWGN-TV's "Extreme Kellie" show access to their nationally-recognized race aircraft for use in any current or future segments.

The McDonald Racer, #37, competes annually in the Gold Class [National Air Race Championships](#), which are recognized as the "World's Fastest Motor Sport". The event attracts aviation enthusiasts from around the world with an attendance of 300,000 fans each year. To learn more about the aircraft and crew, please visit: www.T6RaceTeam.com.

For more information please contact Nicolette Lynn by phone at (303) 785-0527 or by email at nlynn@IBGBusiness.com.

About the McDonald Air Race Team:

Since 2000, the McDonald Air Race team has been competing annually in the National Air Race Championships. They have continued to move up through the race classes and currently compete in the T6 Gold Class. The crew is comprised of expert mechanics, skilled pilots, race strategy engineers, photographers and business professionals among others. For more information, please visit: www.T6RaceTeam.com.

About the National Championship Air Races & the Reno Air Racing Association:

In September 2010, the National Championship Air Races and Air Show will return for its 47th year with six classes of racing aircraft and a first-class air show including some of the world's top pilots and aerobatic performers. Recognized as the "World's Fastest Motor Sport", the annual event regularly attracts 250,000 to 300,000 attendees. For more information, please visit: www.AirRace.org.
