FOR IMMEDIATE RELEASE

### **The McDonald Racer team welcomes Kids in Flight, Inc. as a 2010 Non-Profit Race Sponsor**

Centennial, Colo., June 8, 2010 – The McDonald Racer #37, a T-6 Gold Class National Air Race competitor, is proud to announce *Kids in Flight, Inc.* as an addition to their 2010 sponsorship team.

[Kids in Flight, Inc.](http://www.kidsinflight.org) was founded in 2003 by Maria Weybrecht. The inspiration for the organization came after Maria was diagnosed with cancer at the age of 19, just one month after obtaining her private pilot license. *Kids in Flight* has become her way of sharing the inspiration, joy and hope of flight with children and families who need it most while giving back to the amazing people who helped her along her road to recovery.

A primary goal of the McDonald Race team is to “[Actively Encouraging Children Interested in Aviation](#)”, which is why the team is excited to team up with *Kids in Flight* at the 2010 National Air Race Championships to raise awareness and promote the outstanding non-profit organization. All *Kids in Flight* donations are used to fund aviation as a tool to empower seriously ill children and their families through flight experiences and educational programs. To learn more about how you can donate, please visit: <http://www.kidsinflight.org/donations>.
